From

The Chief Operation Engineer (North),
157, Mount Road, Madras-2.

To

The Secretary to Government,
Public Works Department,
Fort St. George, Madras.

No. 199-H/53- 2 dated 11-2-1953.

Sir,

Sub: Establishment - Rayalaseema Power System - Temporary - Supervisor (Electrical) II Grade for Bellary Sub-division - Continuance - Requested.

Ref: G.O.No.Ms.4173, dated 16-10-1951.

Sanction was accorded in the above G.O. for the employment of one additional Supervisor (Electrical) II Grade in the Bellary Sub-division, Rayalaseema Power System for a period of one year from date of appointment. The Supervisor was required for attending to the execution of certain major and minor construction works listed in my letter No.1960-H/51-1, dated 27-9-1951.

2. I have to state that though some of the works have been completed, there are still some more works for which funds are available in the current year, which have to be taken up and completed before the end of 1952-53. Further some other works detailed below have since been sanctioned and may be taken up for execution during 1953-54.

1. Extension of supply to Moka costing Rs.66,800/-
2. -do- to Kallubohavai Rs.42,200/-.
3. -do- of loads around Hagari Rs. ~~80,800/-~~. 80,800/-

Besides the above extensions there are also several other minor extensions costing below Rs.10,000/- which are already sanctioned awaiting execution.

3. Since some of the works have not yet been completed, the Superintending Engineer, Rayalaseema Power System states that the services of Supervisor (Electrical) II Grade are necessary for the present at least till 31-3-1953. Hence I request that the Government may be pleased to sanction the continuance of the said post upto 31-3-1953 for 3 months from 1-1-1953, the date on which the existing sanction has expired. The Supervisor may be required even after that date for attending to the works already sanctioned and awaiting sanction. As the position regarding funds for these works is not know exactly at present, proposals for further continuance will be submitted in March 1953 after reviewing the position at that time.

4. The delay in submission of the above proposals is regretted and is due to late receipt of certain particulars called for from the field.

5. As the sanction for the post has expired on 1-1-1953 as stated above and as the continued employment of the Supervisor is necessary for completing the works on hand I have authorised the continuance of the post from 1-1-1953 in anticipation of orders of Government and I request that my action in this behalf may kindly be ratified.

6. Early orders of Government are requested.

/V. Venkataraman
